

## Taking Good Care of Aging Family Members

On October 30, 2019 *Newsweek* recognized Lutheran Care Center at Concord Village, Poughkeepsie as an award-winning nursing home. After analyzing 15,000 nursing homes in the US, Lutheran Care Center – providing skilled nursing care, rehabilitation, adult day health care and an adult foster family program - was ranked #16 in New York State. <https://www.newsweek.com/best-nursing-homes-2020/best-nursing-homes-new-york>

The care provided by our staff is one reason Lutheran Care Center receives high marks throughout Dutchess County. As part of our community engagement, staff recently supported the *Walk to End Alzheimer's* at the Walkway Over the Hudson. The Alzheimer's Association provides creative resources which daily enhance the lives of residents in our Memory Care Unit.
